Just Circular

MEMORANDUM

To: Messrs. Jenner and Liebeler

From: John Hart Ely

Re: Selected New Orleans Witnesses covering 1939-44, 1954-56.

(1) Lillian Murret, 757 French.

For each of the following witnesses, I have prepared a folder containing copies of the reports presently in our possession. These folders accompany this memorandum.

(2) Mrs. Milfred Peterman

(3) Mrs. Edward Boudreaux

(4) Julian Evans

(5) Edward Voebel

(6) Mrs. Mildred Sawyer

(7) Frederick O'Sullivan

(8) Mrs. Bennierita Smith

(9) William Wulf, Jr.

(10) Mrs. Edwin Enochs

(11) Palmer McBride

Document 75, pp. 4-7, indicates that Mr. Tujague remembers far less than the FBI originally credited him with. I therefore do not include him.

Mr. and Mrs. Roach are deceased, and their surviving relatives apparently do not remember the Oswalds.

I suspect that the following parties do not remember enough to be of much help to us:

Dr. Bruno F. Mancuso, 2001 Alvar St.

Mrs. F. Carleton La Biche, 2125 Alvar St.

Mrs. Fred C. Huff, 1740 Alvar St.

"Pastor Nau of the Redeemer Church" (Arranged for the admittance of the boys to the Orphan Asylum.)

Maury Goodman -- a folder for whom I have included -- now resides in Missouri.
